

Revised 1809 Ashland Avenue and 1800 East Madison Street

The Final Subdivision and Development Plan 1809 Ashland Avenue and 1800 East Madison Street was approved by the Planning Commission on July 9, 2009 to consolidate and subdivide the properties into two lots for dispositional purposes. The applicant has revised the plan to correct errors in the survey. This site is within the New East Baltimore Community Planned Unit Development. The site is 2.21 acres in size.
