

Project/Improvement	Location
Reduce speed to 25 mph in school zones by adding signs and additional enforcement	4300- 4600 Blocks of Liberty Heights Ave; 3500-3800 Blocks of El Dorado; 4400-4100 Blocks of Belle; 3400-3500 Blocks of Hillsdale
Add visible crosswalks with stamped concrete and install pedestrian countdown signals	Intersections: Liberty Heights and Hillsdale; Liberty Heights and El Dorado
Add turn arrows to the traffic lights	Turn lanes in Liberty Heights and Gwynn Oaks intersection and Liberty Heights and Hillsdale intersection
Create choke points with green bump outs and (possibly) bio-retention cells to slow traffic. (North of Liberty Heights Ave is a "speedway")	Intersections: Hillsdale and Liberty Heights; Hillsdale and Haddon; Hillsdale and Belle; Hillsdale and Post
Add speed <i>bumps</i> to slow traffic (distinguish between speed <i>bumps</i> and <i>humps</i> because of concern over damage to cars caused by <i>humps</i>)	4800 Block of Gwynn Oak; 3600-3700 Blocks of Mohawk; 3900-4100 Blocks of Dorchester
Reactivate existing speed cameras	4600 Block of Liberty Heights
Install new speed cameras	4300 Block of Liberty Heights
Prune trees where branches hang over traffic signs and hang too low over the sidewalk	4700 and 4300 Blocks of Liberty Heights
Add 4-way stops where there are currently only 2-way stops	Intersections: Hillsdale and Haddon; Hillsdale and Belle; Hillsdale and Post
Place fun and unique signage in the area to draw attention to the neighborhood, highlight its history, and display information about the schools	4400 Block of Liberty Heights; 3600 Block of Gwynn Oak; 3600 Block of El Dorado
Install flashing pedestrian lights in front of crosswalks	3400-3500 Blocks of El Dorado
Add bus shelter to bus stop that is well lit and doubles as public art (debate about whether to add benches as well, but many voiced concern about the tendency for benches to attract negative activity and loiterers)	Bus stop in front of Shop Rite (4600 Block of Liberty Heights)
Review timing of lights during school hours	
Encourage use of crosswalks by putting something in the median to discourage midblock crossing, such as a decorative fence similar to the one in Library Square	4400 and 4500 Blocks of Liberty Heights
Walk Smart Campaign- billboards, crosswalks	
Revise Safe Routes to School Route? The current route passes by 4Gs Liquor Store, which presents potential safety concerns for the children walking on this route.	4700 Block of Liberty Heights
Install CitiWatch police camera	Intersection of Liberty Heights and Gwynn Oak
Have police around when kids go to and from school	4600 Block of Liberty Heights
Install brighter street-level lighting	Alley behind the Ambassador and BP (alley parallel to 4600 Block of Liberty Heights); Hadon and Woodbine; Hadon and Hillsdale intersections
Install faux cameras	BP; Alleys at Howe and behind the Ambassador
Initiate façade and signage improvements for businesses in the commercial district	4600-4700 Blocks of Liberty Heights
Code enforcement- cite businesses operating without licenses; Health Department inspections; Comptroller	4600-4700 Blocks of Liberty Heights
Make improvements to parks	Hillsdale Park
Add separated bike lanes	Paint existing bike lane on Gwynn Oak; add new bike lane on Liberty Heights
